## Our Newest Licensee: Alliance Care Advisors

*Posted by Alan Stanford, Founder and CEO of My Health Care Manager*

We're pleased that Alliance Care Advisors is My Health Care Manager's new licensee for the Indianapolis and surrounding counties area. Like our other licensees, [Alliance Care Advisors](#) will use our systems, training, and processes, including SCANS<sup>(TM)</sup> - our Senior Care Navigation System - a best-in-class knowledge management and decision support system, to provide [geriatric care management](#) by their Health Care Managers to seniors and caregivers. To learn more about SCANS and how it's helping seniors and caregivers nationwide, please visit our CTO Eric Tinsley's blog. If you are searching for geriatric care management services in the Indianapolis area you should visit [their website](#) or [view their press release](#) to learn more. Alliance Care Advisors' sister organization, [Alliance Home Health Care](#), provides complementary [home health services](#).
