Alliance Recognized as One of Indianapolis' Largest Woman-Owned Businesses

Alliance Home Health Care provides skilled home nursing, therapy and non-medical companion services to elderly and senior adults in the Indianapolis, Indiana area. Through coordinated care and support for clients and their families, Alliance enables individuals to remain in the safety and comfort of their own home environments for as long as possible.

Alliance Home Health Care services include:

- [Home Care Coordination](#)
- [Care Advisors](#)
- [Home Nursing Care](#)
- [Physical, Occupational and Speech Therapies](#)
- [Home Health Aide Services](#)
- [Non-Medical Home Care](#)

Led by experienced business and health care professionals, Alliance is deeply committed to providing comprehensive and client-centered home care services in a compassionate and safe manner.

Alliance Home Health Care accepts client referrals 24 hours, seven days a week from family members or friends, hospitals, physician practices, nursing facilities, discharge planners, rehabilitation centers, assisted living centers and other area agencies.
